GENERAL DESCRIPTION OF TASK(S) AND OBJECTIVES TO BE ACHIEVED

Under the overall guidance of the Assistant Director General and Head of the Regional Office for Europe and Central Asia (REU) and the direct supervision of Ms. Victoria Chomo, Senior Fisheries and Aquaculture Officer, REU, Budapest, intern will support aquaculture projects and research in the region that contribute to Regional Initiatives 1 (smallholders) and FAO Objective 2 through the following tasks:

1) Conduct a literature search, in both academic journals as well as European Commission websites and publications, on food safety issues related to European fish farming, addressing issues such as how food safety standards can be linked to consumer confidence in farmed fish and public health concerns related to aquaculture diseases, as it relates to technical constraints for smallholder farmers (RI1, SP2).
2) Prepare a draft report on findings of the literature review.
3) Build a regional profile of strengths and challenges for Central Asian aquaculture through statistical data collection and background information on fish production, rules and regulations, national aquaculture strategy or legislation, tenure, etc) in 5 countries participating in a regional TCP project (RI, SP2);
4) Prepare a draft report on the regional review of CA aquaculture sector.
5) Provide comments on country reports related to aquaculture projects in Central Asia, as needed.
6) Assist the team in preparing training materials for smallholder fish farmers and extension agents in Central Asia.
7) Contribute to team meetings and webinars and REU meetings, as needed.
8) Perform other tasks as required.
